IS

THANKSGIVING
DAY~

AND I HAVE A-
~ THANKFUL HEART ~

LORD, THOU HAST GIVEN ME A CELL
WHEREIN TO DWELL---
A LITTLE HOUSE WHOSE HUMBLE ROOF
IS WEATHERPROOF-----
LOW IS MY PORCH AS IS MY FATE,
BOTH VOID OF STATE,
AND YET THE THRESHOLD OF MY DOOR
IS WORN BY THE POOR
WHO HITHER COME AND FREELY GET
GOOD WORDS OR MEAT.
'TIS THOU THAT CROWN'ST MY GLITTERING HEARTH
WITH GUILLESS MIRTH.
ALL THESE AND BETTER THOU DOST SEND
ME TO THIS END,
THAT I SHOULD RENDER FOR MY PART
A THANKFUL HEART.

Book Gossip

I READ AN AD IN A PAPER SOME TIME AGO THAT WENT LIKE THIS--"FOR SALE: A PIANO--BY A YOUNG LADY--WITH MAHOGANY LEGS". ANOTHER EXPERIENCE I ONCE HAD IN OGDEN, UTAH---I SOLD A HOME, AND THE PURCHASER FELT THAT HE HAD NOT RECEIVED SOME ARTICLE TO WHICH HE WAS ENTITLED. SO HE CALLED ME ON THE PHONE, QUITE DISTURBED, AND IN THE COURSE OF THE CONVERSATION I SAID TO HIM, "YOU ARE AT WORK NOW? ALL RIGHT, I WILL COME RIGHT OVER AND STRAIGHTEN YOU OUT." WHEN I APPROACHED HIM, HE DIDN'T SAY A WORD--JUST HAULED OFF AND STRUCK ME IN THE FACE. MY FACE WAS CUT WHEN MY GLASSES WERE BROKEN. IT COST THAT MAN QUITE A LOT FOR HIS OUTBURST OF TEMPER AND FOR HIS MISJUDGMENT OF MY STATEMENT. HOWEVER, IN EACH CASE WHERE ONE IS MISLED BY, OR HAVE TAKEN THE WRONG INTERPRETATION OF AN EXPRESSION WRONGLY PUT--THE FAULT LIES IN NO PARTICULAR PARTY. IN MY OWN CASE, I WRITE JUST AS I SPEAK--SO PLEASE TAKE ME FOR WHAT I MEAN--AND NOT FOR WHAT I SAY! FIRST IMPRESSIONS ARE NOT ALWAYS THE CORRECT ONES, YOU KNOW.

I NOTE BY THE PENINSULA PAPERS THAT THE STATE ROAD COMMISSION HAS CALLED FOR BIDS TO WIDEN THE BAYSHORE HIGHWAY FROM SIERRA POINT TO SAN FRANCISCO. WE, HERE IN BRISBANE, MAY BE TOO LATE TO GET OUR OVERPASS ENTRANCE TO THE HIGHWAY. IF SUCH IS THE CASE, BRISBANE'S FUTURE WON'T BE MUCH TO LOOK FORWARD TO. PROPERTY VALUES WON'T BE VERY HIGH HERE IN THE FUTURE. LET'S GET TOGETHER AND GO TO THE COMMISSION ENMASS, AND DEMAND AN ENTRANCE FOR OUR TOWN!

SO LONG UNTIL NEXT TIME.

SOME PHONE SERVICE CURTAILED HERE:

Service to JUNO 8 telephones was curtailed early this week by "now you see 'em, now you don't" pickets of the CIO Communications Workers of America on the first week of a nationwide strike.

Other San Mateo County exchanges were skipped by the pickets, who were in Burlingame Monday---Palo Alto, skipped earlier, had pickets on Tuesday.

The Pacific Telephone and Telegraph Co. reported "most" calls from JUNO 8 to other exchanges were going through, but there were some delays. Pickets at the Mission exchange in San Francisco, which handles operator calls from JUNO 8 prevented a normal staff of operators from reporting to work.

BIDS CALLED ON 'INTERIM' FREEWAY:

The first step toward breaking Bayshore Freeway bottlenecks was taken today in Sacramento as a citizens committee appeared to push the case for a speedup on the freeway before a special senate committee tomorrow in San Francisco.

The state highway commission today authorized the advertisement of bids for widening the four lane highway between South San Francisco and the north county line to a six lane divided freeway.

The project is a temporary traffic relief measure and will be financed from a budget item of \$470,000. It will break the Brisbane Bottleneck while work is getting started on the parallel overwater freeway from South San Francisco to Candlestick Point.

At a hearing at the San Francisco City Hall on November 15th, arguments urging a speedup on the freeway will be presented by representatives of the Tri-County Committee for Early Completion of Bayshore Freeway, made up of a number of chamber of commerce representatives.

Invitations to the group were sent by Sen. Randolph Collier, chairman of the senate's interim committee on highways, streets and bridges.

Martin J. Dinkelspiel of Hillsborough, chairman of the tri-county committee, announced an executive board has been formed with the following members; William Soule, San Mateo--H.M. Schaur, South San Francisco--Ralph Shafor, San Jose--Thomas F. McGuigan, Burlingame---and James Bell, Palo Alto.

VETS TO SEE BRISBANE MINSTREL SHOW:

BRISBANE:--The Brisbane PTA players will repeat its minstrel show, "PLANTATION DAYS" for patients at Letterman General Hospital, San Francisco, the afternoon of Dec. 3 in the YMCA building at the Presidio.

The 60 players, who won acclaim from an audience of 800 at the high school in Daly City last Saturday night, will give the full show of specialty numbers, vocal selections and dances for the veterans.

VANDALISM AT LOCAL THEATER:

According to Chris Mantis, Mar. Brisbane Theater, vandalism is being committed at the theater during performances, in which some of our teenagers, and some youngsters even younger, are bringing knives and razor blades with which to cut up the seat cushions. Mr. Mantis has reported that the damage has been so great that he may be forced to close the theater for repairs. He asks that parents check into the activities of their youngsters during the performances. With our theater closed for a period of time--we would have to look elsewhere for entertainment.

CHRISTMAS PARTY PLANNING MEETING:

Among those attending the Christmas Party Planning Committee meeting held on November 10th at the Legion Hall were Markkh Ackisson and Ruby Edwards, Brisbane P.-T.A.; Betta Durham, VFW Auxiliary; Sam A. Cole, VFW; Lorene Harris and Lorene Geist with Hattie Hammond, representing American Legion Auxiliary; Fred Laing and Dick Schroeder, Lions Club; Frank Howard, William Harris, and Ralph Geist, American Legion; and John W. Smith, electrician.

It was decided to hold the parade and party on December 19th at 8 p.m., and will be sponsored by associated clubs of Brisbane. The party is being held for all children up to 14 years of age. Parents are urged to start now on the floats and costumes for the parade, with which they will compete for the many lovely prizes to be given. Two or more prizes will be given in each of several classifications, in both boys and girls groups--including a prize for most original costume between ages of 1 and 4. Altogether there are approximately 48 prizes to be given, besides a cup donated by Dick Schroeder for best outside decorated house. This cup will be held for a year by this year's winner. If he or she wins it for three years, he gets to keep it.

Prizes in regards to the parade will be given for most original and funniest costumes--best decorated doll and baby buggies, tricycles, bicycles, and floats. Tickets for a \$25 drawing prize will be on sale soon, by the children of Brisbane--with a \$5 prize going to the child selling the lucky ticket. One free ticket for every ten sold will be set aside for a special drawing for approximately twenty prizes. The child selling the most tickets also gets \$5. These tickets are to finance the Christmas party, and will sell for 25¢ each.

Santa Claus will also be present at the Christmas party and parade to give each youngster a package of goodies. Any organization not now represented may contact Fred Laing.

ARMISTICE DAY CEREMONIES:

At 11 a.m. on Saturday, Nov. 11, ceremonies were held at the American Legion Post #473 commemorating Armistice Day. Many local organizations took part, among which were the Walter A. Blair Post VFW and Auxiliary, American Legion Post #473 and Auxiliary, The Brisbane Fire and Police Departments, and Captain Blair's Rangers. The Rangers filed volleys and Ranger Bugler Gene Johnson blew taps. The two Thrasher boys, Ranger Derrone and Darryl present "Mom" Vera Blair with a diamond "R", which she will wear along with the gold star in memory of her son, Walter A. Blair, for whom this post was named.

Ex-Ranger, SGT. Don Walton, now in the U.S. Infantry, was present and took part during the ceremonies. Brother Kenny Walton is now the 1st Sgt. of Blair's Rangers. New Ranger recruits Vincent (Hippo) Reece and Eugene Anderson, were present and WACS Sandra Matthews and Kay Varney, with Louise Sousa, handled the new Ranger Colors in a military manner.

RON WRIGHT'S SPORT COLUMN:

Jefferson Union High School Varsity football team won over the San Mateo Wildcats by 26 to 14 last Friday. The Jefferson Indians were fighting against a tie for second place with San Mateo--and are now tied for first place with Palo Alto Vikings, both teams winning five and losing none. The San Mateo game was highlighted by some swell catches by our ends. Vic Baer, our right tackle, seemed to be having his day at getting those men with the ball. On one play, he almost ripped the head off the San Mateo quarterback. Coach South believes that everyone should play in the game, so when we had a comfortable lead of 26 to nothing, he put in his second and third strings. Little Bob Gallagher, halfback, did almost everything on offense--running and passing and never making a mistake.

This Friday Jefferson will play their big game, with Palo Alto--for the P.A.L. League Lead.

The 120's basketball team may win the P.A.L. championship this year when they meet South San Francisco in their annual rival game.

The Jefferson Fresh-Soph are also battling for a championship this Thursday. The Fresh-Soph haven't won a league game yet, but they will be battling San Jose for the Cellar Championship.

The Brisbane Boy's Club has started up again, and have a 110's basketball team. Some of the players are--Leo Villars, Jerry With, George Babkirk, Darryl Chapman, Larry Conway, Ray Villamainroy, Bobby White, Darryl Crosby, and Bill Storch.

Reports of audited figures have been slowed down somewhat because reporting from all areas is not complete since many places are still working their campaigns, according to J. Neil Hanson, county campaign chairman. \$72,611 more is the sum necessary to attain 100% of goal. Mr. Hanson announced at a recent Chest board meeting that the campaign will continue until goal is reached.

INVITATION:

With our young men again dying for American ideals of freedom, justice and democracy, it is time for us to show a more vigorous, enthusiastic Americanism here at home. Our devotion to American ideals must match the zeal of the Communists. We must work constantly for America, teaching Americanism, living Americanism, and strengthening faith in the free institutions of America.

We seem to take our priceless Americanism for granted most of the time. We are indifferent to its marvelous benefits and negligent in our citizenship duties. Our love of America is seldom expressed or demonstrated. This year, more than ever, we hope to make our American Legion Auxiliary Unit a strong center of Americanism, influence and activity. We have need for more sound American women to help us in this effort, and we are inviting all eligible women to join us now and help us defeat the threat of communism--a threat to everything we hold dear.

The urge to serve is strong among American women today, and the Auxiliary offers a place in which the wives, mothers, sisters and daughters of American Legion members or deceased veterans, and also women

veterans, can serve effectively.

We need and want you as an Auxiliary member. Won't you join us in the great work we are doing?

Sincerely yours,

VIRGINIA H. WOODARD
Membership Chairman, American Legion
Auxiliary, Brisbane Unit #473.

BECAUSE OF THANKSGIVING:

You say, "What do I have to be thankful for?"

In comparison to many people, you have so much more.

You have a wonderful country to live in--

Where practice of good is done to men.

You say, "But I haven't all the luxury's--no T.V. set"--

No, perhaps not--but you do have freedom, so do not fret.

What more could we ask for?--A country where no bombs are flying by--I think we should be thankful we are alive.

Let's honor God this Thanksgiving Day--

By going to the church of our choice and offering Praise!

Sincerely, a thankful Brisbaneite --MRS. MEYER.
